Thanks, Martha. No immediate concerns, but it would be helpful if we could see the incoming from NRDC. Can you send us the letter?

Thanks,  
Howard

Hi Shaun and Howard,

I hope this new year finds you well! I wanted to flag for review the attached draft response to a letter from NRDC, which includes language on Pavillion. We are hoping to turn this letter around in the next day or two. I know that is a short turnaround.

Nonetheless, we wanted to make sure you had a chance to see it.

Thanks so much for your help. Hope all is well in Denver,
